INFORMATION DISCLOSURE STATEMENT

The Applicants, and the Attorney who signs below on the basis of the information supplied by the inventor and the information in his file, submit herewith a separate listing in compliance with 37 CFR 1.98(a)(1) of patents, publications, or other information of which they are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56. Copies of the patents and/or publications that are set forth on the attached Form PTO-1449 have been supplied by the European Patent Office under the trilateral agreement.

While the information submitted in this Information Disclosure Statement may be material pursuant to 37 CFR § 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is prior art for this invention unless specifically designated as such.

JC06 Rec'd PCT/PTO 19 MAY 2005

In accordance with 37 CFR § 1.97, this Information Disclosure Statement is not to be construed as a representation that a search has been made or that no other possibly material information as defined under 37 CFR § 1.56(a) exists.

Respectfully submitted,

Keith M. Tackett
